STRUCTURE, GOVERNANCE AND MANAGEMENT

A Partner in Education, is a charitable company limited by guarantee and has no share capital. The company was established under a Memorandum and Articles of Association, which established the objectives and powers of the company and is governed under its Articles of Association. The company was incorporated on 18 November 2009. The charity was registered in the United Kingdom with the UK registration number 1133224 in the UK on 10 December 2009.

On 30 April 2011 a Non Governmental Organisation (NGO) called a Partner in Education was registered in Rwanda. As from this date this NGO took over from A Partner in Education all the Rwanda based activities.

The Board of Trustee consists of three Trustees who continue in office until retirement or death. New Trustees are selected by existing Trustees and are people who have a specific interest in the trust.

New trustees undergo an orientation day to brief them of their legal obligations under charity law, the committee and decision making processes and recent financial activities of the charity.

In planning the activities for the year the Trustees kept in mind the Charity Commission’s guidance on public benefit. The activities benefit under privileged children and young people by advancing education in developing countries and do not give rise to any detriment or harm to the public.

The major risks to which the charity is exposed, as identified by the trustees, have been reviewed and systems have been established to mitigate those risks.

OBJECTIVES AND ACTIVITIES

The mission of A Partner in Education Ltd (APIE Ltd) is to help support education projects in the developing world. Until the constitution on 30 April 2011 of the Rwandan NGO called A Partner in Education, APIE Ltd worked with the Girubuntu Association which is a non profit making NGO constituted in accordance with Rwandan law which provides quality holistic nursery and primary education to an existing school.

APIE Ltd agreed to build and partially furnish a New School in Kabeza, Rwanda designed to accommodate over 300 children and to be built in accordance with Rwandan construction and education specifications.

The building of the new school started in July 2010 and had been substantially completed by 30 November 2010. As of 30 April 2011 APIE Ltd transferred the new buildings to A Partner in Education in Rwanda and the pupils of Girubuntu moved into the new building at the start of the new school term in September 2011.
ACHIEVEMENTS AND PERFORMANCE

APIE Ltd managed the building project and was able to hand over the building and furnishings to the Rwanda NGO during the current financial year. APIE Ltd also transferred to the new Rwanda NGO the active participation in the school including the undertaking, at its absolute discretion, to provide an education specialist to advise Girubuntu on improving operating efficiencies, learning standards and academic performance.

APIE Ltd continues to support the Rwanda NGO by means of an interest free loan for which it has undertaken not to demand repayment unless the Rwanda NGO has funds free for this purpose.

FINANCIAL REVIEW

Details of the results of the charity's activities for the year are set out on pages 5 and 6 and in the notes to the accounts on pages 8 to 12.

During the year the company received donations totalling £150 (2012: £1,191). Other income to support the Charity in achieving its goal was received by the way of loans from one of its trustees Mr B Newmark.

The expenditure relates to the costs of building the new school.

The result for the year shows a loss of £3,214 (2012: £4,105).

The company currently has no reserves and is reliant on one of the Trustees who has currently lent the company funds of £173,214 (2012: £170,334). The Trustee has indicated that he will not seek repayment of these funds until sufficient donations have been receive to put the charity on a secure financial footing.

PLANS FOR FUTURE PERIODS

In the long term the charity hopes to secure the repayment of its loan through fundraising activities in the UK, the USA and Rwanda and hopes by these means to be able to continue to support the cause of the education of orphans and vulnerable children from severely disadvantaged backgrounds. To this end it is planned that the Girubuntu Association be replaced by a new NGO called the Umubano Organisation which will administer a replacement school called the Umubano Primary School, and the school opened in January 2013.
